BABY DANCE – 45-minute session class (session = 6 weeks) designed to introduce students to the love of dance. This program is for the youngest students. Must be at least 2 ½ years of age (by September). Focus concentrates on rhythm, body position, counting, creative movement, song and dance. Every student is encouraged to be expressive, creative, and even silly, while in this safe, structured, fun environment. Must be potty trained. Session #1 is open to the parents to observe the class. All other sessions will be closed to parents with an observation for families on the last class of each session. Attire: Students can wear any color leotard with or without tights and pink ballet shoes.
